Uses

Management of simple dandruff and seborrhoeic dermatitis of the scalp.

Format and Ingredients

Smooth, pale yellow to beige uniform solution containing:

Selenium sulphide 2.5%,

Dosage

Adults (including the elderly) and children over 5 years: thoroughly wet hair and massage the shampoo into the scalp to form a lather. Rinse after 2-3 minutes. Use twice a week for the first two weeks. After this initial course of treatment, not to be used more often than necessary to control the condition. Under 5 years: not recommended.
