Category

Cough, Colds and Sore

Throat

Manufacturer

CHURCH & DWIGHT UK

LTD

Pack size

20ml

RRP

£8.99

Legal Status

MD

Decongests and soothes the nasal passages in the event of colds and sinusitis. Liquifies and clear thick mucus. Forms a protective invisible film which acts as a barrier against external causes responsible for cold symptoms and sinusitis.

Format and Ingredients

Nasal spray containing:

100% natural sea water based solution (hypertonic solution enriched with copper and eucalyptus oil),

Dosage

Adults and children from 3 years: use at the first sign of a cold or sinusitis. Apply 2 sprays into each nostril up to 6 times a day. Suitable for pregnant and breastfeeding women.
